Specialised dietary meal services for hospitals and healthcare centres, with therapeutic diet planning and patient-specific meal preparation.

Corporate & Government

Professional food services for corporate offices and government establishments with executive dining and staff cafeteria management.

Operations

Efficient hotel back-of-house management

Staff Training

Developing skilled hospitality professionals

Quality Control

Ensuring consistent hospitality standards

Guest Service

Delivering personalised guest experiences

Daily Meal Planning

Balanced menus designed by qualified nutritionists ensuring adequate calories, proteins, and micronutrients per ICMR

Staff Deployment

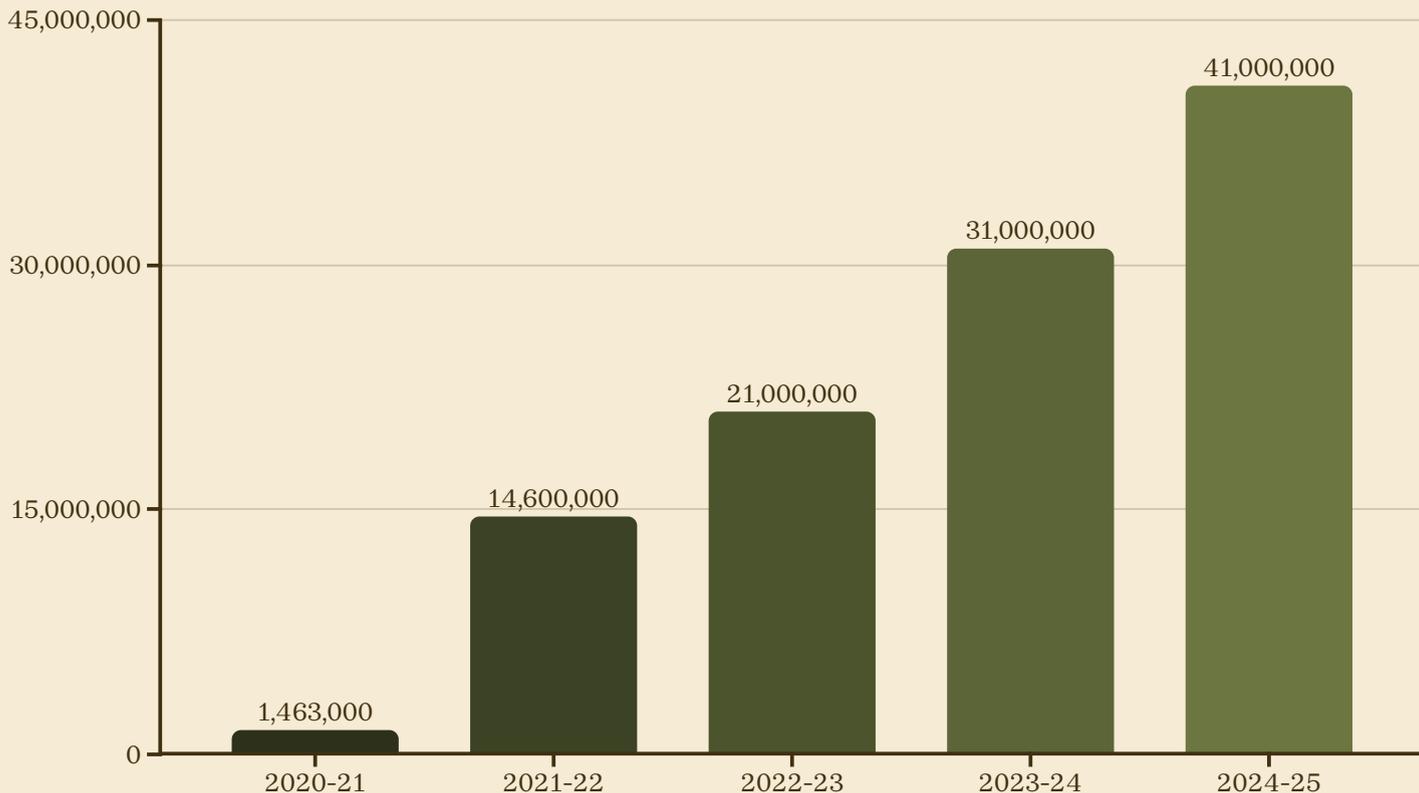

Trained kitchen staff, supervisors, and food handlers with valid FSSAI certifications and FoStac training.

Financial Performance and Growth Trajectory

Financial Records

RHMS has demonstrated exceptional financial growth over the past five years, with turnover increasing from INR 14.63 lakhs in FY 2020-21 to a projected INR 4.10 crores in FY 2025-26. This represents a compounded annual growth rate exceeding 180%, reflecting our expanding client base and operational excellence. Our consistent performance and strategic growth initiatives have positioned us as a leader in the institutional catering sector.

Our financial records are fully verified through Income Tax Returns, Goods and Services Tax (GST) returns (GSTR-1 and GSTR-3B), and Form 26AS statements. We maintain a transparent and compliant financial standing, with all tax obligations met on time and with zero defaults or outstanding demands, as recorded under PAN BWBPSI091K. This commitment to financial integrity underscores our reliability and trustworthiness as a business partner.

The bar chart illustrates the significant increase in turnover over the financial years, demonstrating a robust growth trajectory. Starting from INR 14.63 lakhs in FY 2020-21, the company has shown consistent and impressive growth, reaching a projected 4.10 crores by FY 2025-26. This upward trend highlights successful business strategies and expanding market presence.

Recent Tax Compliance & Key Financial Metrics

- FY 2024-25: INR 1.13 Crore receipts reported under Income Tax Act, Section 44AD.
- FY 2025-26 (Tax Deducted at Source - TDS): INR 1.99 Crore paid/credited, reflecting significant operational activity.
- FY 2025-26: Est. Turnover INR 4.10 Crores with consistent compliance.
- Net Profit Margin: Achieved a healthy 6.14% in FY 2024-25, indicating strong profitability and efficient cost management.
- Debt-to-Equity Ratio: Maintain a low debt-to-equity ratio, ensuring financial stability and reducing risk.
